
Council lends a hand for Community Living Huronia and Ronald McDonald House Charities

SPRINGWATER TOWNSHIP / May 4, 2010 – You might see some new faces serving burgers and fries at the Elmvale McDonald's tomorrow.

Springwater Township's Mayor Tony Guergis will once again join Deputy Mayor Tony Hope, Councillor Reg Cowan and Councillor Linda Collins for McHappy Day at the Elmvale McDonald's to help raise money and awareness for Community Living Huronia and to help support the expansion of Toronto's Ronald McDonald House.

Community Living Huronia strives to ensure that children with developmental disabilities can live in a state of dignity, with opportunities to participate in community activities. Ronald McDonald House Charities (RMHC) is dedicated to helping families with serious illness and disabilities. Over the past 12 months, 572 families from Simcoe County have used the Ronald McDonald House facilities.

On McHappy Day, one dollar from every McMuffin, Happy Meal and Big Mac purchased will go towards these causes, so please take some time to visit McDonald's tomorrow, and join Springwater Council in their support of these two organizations.

Springwater is a municipality of approximately 18,000 residents located in the heart of Simcoe County.

Springwater consistently offers residents one of the lowest property tax rates, in comparison to similar sized municipalities in the area, Springwater Township is also home to the second largest concentration of County Forests, and is a popular destination for outdoor activities in all four seasons.

In 2009, the Township celebrated its 15th anniversary of the amalgamated Township of Springwater.
