Camp Information

Code of Behaviour

The Township of Springwater endeavours to provide the highest level of safety and enjoyment to all participants and staff members for the duration of its programs. These guidelines have been developed to ensure that all involved are aware of acceptable behaviour. Coarse language, physical and aggressive behaviour, inappropriate or uncooperative behaviour will be recorded, reported and may result in removal from the program.

Dressing for Camp

Campers are encouraged to wear comfortable clothing and dress accordingly for the weather. A sun hat should be worn and brought to camp daily. Please label your child's clothing and articles brought to the camp. If your child has a knapsack, it will help keep his/her belongings together. Please send sunscreen.

Drop Off/Pick Up/Absenteeism

To avoid confusion, if you know ahead of time that your child will miss a day of camp or needs to leave for an appointment, please put it in writing and give it to our camp supervisor. Please specify who will be coming to get the camper. If your child is absent, please call the camp or the Recreation Office. We will try to notify your child's camp. No discount for a missed day.

For Everyone's Health

If your child has a communicable disease (eg. Lice, Chicken Pox, etc.) we would ask that you do not send your child to the program. Children are welcome to return to the program when they are healthy and have a medical note of permission.

Lunch and Snack

Each day children are to bring a lunch and a drink. Campers do not have access to a refrigerator. A frozen drink or ice pack will assist in keeping your child's lunch and snacks cool. Throughout the day extra snacks and drinks are usually required by the children. Please pack accordingly, understanding we maintain a **NUT SENSITIVE** environment.
