
Kyle Marcelli Signature Series Home underway in Springwater Township

SPRINGWATER TOWNSHIP / September 7, 2010 – Professional auto racer Kyle Marcelli joined Springwater Township Council and Staff to break ground on the first Kyle Marcelli Signature Series Home, being built by MG Homes in Springwater Township.

The home celebrates the success and achievements of Marcelli, a Springwater resident, throughout his professional racing career. Marcelli is just 20 years old, but has already earned a reputation for being an extremely successful auto racer. He has won many races and championships, and has set six international track records.

Springwater Township Council and Staff are thrilled that not only has Marcelli chosen to call Springwater home, but together with MG Homes and sponsors like Simcoe Building Centre and Lafarge, Marcelli has chosen to build his first Signature Series Home in Springwater as well.

“Even though I’m so often out of the country and across the world, Springwater will always be my home,” said Marcelli. “We hope to do a Signature Series home annually, with the help of Springwater Township, Lafarge and Simcoe Building Centre.”

Springwater Township Council was on hand to celebrate the first Kyle Marcelli Signature Series home.

“On behalf of the Township of Springwater Council and Staff, it is indeed an honour to congratulate you on the ground breaking for the first Kyle Marcelli 2010 Signature Series Home.

We appreciate you choosing Springwater Township as both your home and the site for the first Signature Series Home. We wish you luck with all your future endeavours in representing our community and country on a national level,” said Mayor Guergis.

Featuring a custom head stone signed by Marcelli, and engraved with home’s number and registered serial number, the Signature Series Home also includes every racing fan’s dream garage, and a unique race portrait hand-painted and personalized by Marcelli. Proceeds from the sale of the home will be donated to the Lupus Flare Foundation.

Springwater is a municipality of approximately 18,000 residents located in the heart of Simcoe County. Springwater Township is home to the second largest concentration of County Forests and is a popular destination for outdoor activities in all four seasons.

In 2009, the Township celebrated its 15th anniversary of the amalgamated Township of Springwater.
