## Watermain Flushing & Swabbing

Ontario Clean Water Agency continues to flush and swab watermains throughout May. Please REDUCE water use from 8 a.m. to 4 p.m. For areas being *swabbed*, please stop using water during these times. The upcoming targeted areas include:

#### May 6 – May 10

- Midhurst Water System
- SWABBING - Vespra Downs Water

#### May 13 – May 17

- Snow Valley Highlands
- Snow Valley Lowlands
- Centre Vespra - Stonemanor

Visit [springwater.ca](http://springwater.ca) for more information.

*Reminder: Spring sweeping begins early May. A contractor has been hired and will use at least two sweepers throughout the Township. Please do any raking prior to the start date and do not pile the sand as the sweeper cannot sweep up piles.*

## Midhurst Union Cemetery Revitalization Project

Be advised that the Township of Springwater will commence construction work at the Midhurst Union Cemetery (1444 St. Vincent Street) from the beginning of May to the end of June, 2019 for Phase 1 of the Cemetery Revitalization Project. Construction work will generally be performed during the week from 7:00 a.m. to 5:00 p.m.

**What:** Phase 1 of development includes site demolition, rough grading, topsoil and fine grading, tree and shrub preservation, sodding, installation of columbaria and foundation, and installation of replacement waterline.

**When:** Work is anticipated to begin in May and last approximately two months, weather permitting.

**Where:** On the north side of the cemetery, in the open and treed area across from the winter storage vault.

## Building Safety Month: building and planning extended hours

May is recognized as Building Safety Month. To celebrate, Springwater Building and Planning Services will be available to assist residents with their building or renovating project after hours on **Wednesday, May 22!** Visit the Township Administration Centre from **4:30 p.m. to 6:30 p.m.** with your project ideas and get guidance on the permit process. We're here to help.

## It's spring: get your permits

A Road Occupancy Permit is required for work within the Township right of way (this includes the ditch). An Entrance Permit is required for any driveway work within the right of way and a temporary Entrance Permit is required for a temporary entrance for yard work or pool installation. Homeowners are NOT permitted to store any materials on the road due to space and liability issues.

Springtime is also a reminder to get your annual Recreational Burn Permit. Pick up yours at the Township Administration Centre, any of the Springwater Public Library branches or Fire Station 3 (2303 Ronald Road, Minesing). Recreational Burn Permits are also available online at [springwater.ca/BurnPermit](http://springwater.ca/BurnPermit). Cost is \$15.
