The Corporation of the Township of Springwater

By-Law 2011-029, as amended by 2011-44

A By-law to Permit and Restrict Access, and Use of Road Allowances within the Township of Springwater, and to repeal By-laws 2006-061 and 2010-031.

Whereas the Municipal Act, 2001, S.O. 2001, c.25 (the “Act”) Section 8, provides that the powers of a municipality under this or any other Act shall be interpreted broadly so as to confer broad authority to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality’s ability to respond to municipal issues; and

Whereas the Act, Section 11, provides that a lower-tier municipality may pass by-laws respecting highways, including parking and traffic on highways; and

Whereas the Highway Traffic Act, R.S.O 1990, (the “HTA”) Subsection 191.8(1) provides that no person shall drive an off-road vehicle on a highway except in accordance with the regulations and any applicable municipal by-law; and

Whereas the HTA subsection 191.8(3) provides that a municipality may pass by-laws, permitting the operation of off-road vehicles with three or more wheels and low pressure bearing litres on any highway within the municipality, or on any part or parts of such highway; and prescribing a lower rate of speed for off-road vehicles with three or more wheels and low pressure bearing tires than that prescribed for off-road vehicles by regulation on any highway within the municipality that is under its jurisdiction, or on any part or parts of such highway, including prescribing different rates of speed for different highways or parts of highways;

Whereas the HTA subsection 191.8(4) provides that a by-law passed under subsection 191.8(4) may permit the operation of off-road vehicles with three or more wheels and low pressure bearing tires on any highway or on any part or parts of a highway only during specified months or hours; and

Whereas the unopened road allowances set out in Schedule “A” are highways under the jurisdiction of the Corporation of the Township of Springwater; and

Whereas the Act, Section 35 provides that a local municipality may pass by-laws removing or restricting the common law right of passage by the public over a highway; and

Whereas the Council of the Corporation of the Township of Springwater deems it advisable to restrict the common law right of passage on or over certain the road allowances set out in Schedule “A”;

Now Therefore the Council of The Corporation of the Township of Springwater enacts as follows:
