Re: 716 St Vincent Street

We request that our property at 716 St Vincent Street remain in Springwater Township and receive servicing from the City of Barrie for future residential development. Our property is conveniently located as existing City of Barrie services are at our lot line and would be shovel ready as soon as the rezoning is approved. Our location is walking distance to public schools, East Bayfield Community Centre, Barrie Sports Dome, Barrie Country Club with public transit on Hanmer Street as well as shopping on Bayfield Street.

If you have any questions or concerns, please contact me.

Sincerely,

A large black rectangular redaction box covering the signature area.
