NEW FAMILY MEDICINE &
EMERGENCY PHYSICIANS IN
OUR COMMUNITY

Dr. Randeep Dhillon

Dr. Andrei Dobrin

Dr. Chris Nava

COMMUNITY HEALTHCARE NEEDS

- Township of Springwater, along with surrounding communities, faces ongoing pressure in Family Medicine.
- We anticipate the need for 20+ additional family physicians over the next five years to meet growing demand and ensure continuity of care for our residents.
- The Ontario College of Family Physicians latest forecast approximately 1 in 4 Ontarians – that's 4.4 million – will be without a family doctor by 2026.

WHAT OTHER REGIONS OFFER

\$80,000 to set up new practice, \$60,000 to takeover an existing one + other incentives provided by local businesses

\$100,000 per new physician in addition to free space

\$150,000 over five-years while committing to five-years of service

\$100,000 to set up a clinic within the city and roster 1000-1200 patients with a commitment to two-years of service

\$20,000 to \$60,000 signing bonus for each new physician

\$100,000 for a four-year return of service when rostering 750 residents

NEW STRATEGIES FOR 2025

CLINICAL LEARNERS

Strengthen Partnerships with medical schools to cultivate a physician pipeline.

Expand Clinical Placements and learning opportunities.

Foster Lasting Relationships with learners to position our community as a leading destination for healthcare professionals.

STRENGTHENING PARTNERSHIPS

Collaborative Approach and support from local municipalities.

Partner with Regional Stakeholders, including municipalities, to identify and implement solutions that streamline the practice of medicine locally.

When physicians discover what we offer & experience our community, they won't just practice here—they will be inspired to make it their home!

NEW STRATEGIES FOR 2025

CLINICAL SPACE SUPPORT INITIATIVE

Partnership Opportunities

with the Township of Springwater to source ways to make it easier to practice locally.

Explore subsidies to reduce the cost burden on physicians, aiding in long-term practice with sustainability & succession planning.

Allowing Physicians to focus on practicing medicine by providing:

- discounted rent or managed space
- Ease of expansion or integration within existing practices
- Real incentives to support long term success in the community

NEW STRATEGIES FOR 2025

FAMILY MEDICINE LOCUM SUPPORT

Locum Support to ensure patients receive continuous care when their physician is on leave.

Establish a Locum Pool to Focus on providing physicians with accessible locum support and subsidizing costs.

We want to ensure continuous patient care by offering targeted funding for locum coverage during family physician absences.

FINANCIAL REQUEST FOR 2025

**\$4,000
BASE BUDGET
REQUEST**

To maintain ongoing efforts and successes.

**\$6,000
ADDITIONAL
FUNDING REQUEST**

To strengthen locum support and provide subsidies for clinical space.

**\$10,000
TOTAL REQUEST**

Total contribution request.

THANK YOU

Thank you, on behalf
of the Georgian Bay
Physician
Recruitment Team

GBGH has been proudly serving the communities of Midland, Township of Springwater, Penetanguishene, Tiny Township, and Tay Township since 1905.
