- 245,171 minutes read by 547 children
- 1,683 children came to in-person programs
- Every school in Springwater represented, including EDHS

I have always appreciated all your help in finding new books that allow me to escape from all the worlds problems. So many great stories!

Then you introduced me to what is, new to me, technology that you can accomplish at your library branch using sublimation printing! It is great and I assure you will put big smiles on 3 other old guys and bring back pleasant memories of good times in the '50s and '60s.

Comment from Midhurst branch patron
